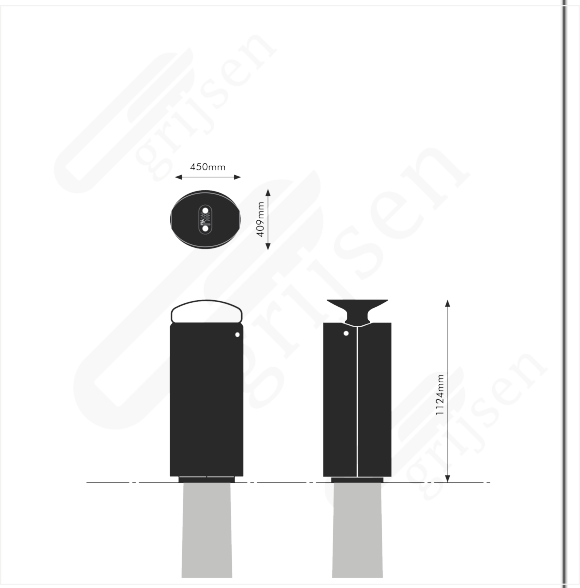
# Constructo 102 with ashtray

Article number: 10001229
Series: Constructo II



## Product description

The **Constructo 102 with ashtray** represents a further development of the Constructo 100 model. It boasts several advantages over its predecessor. Notably, the fasteners on the waste bin are now concealed, and the opening is slanted inward to prevent unnecessary waste accumulation. Its design features a more rounded shape and a sleek finish.

Similar to its predecessor, this litter bin is renowned for its quality, user-friendliness, and fully modular construction. Additionally, it includes an integrated ashtray in the hood and offers the option of a stainless steel inner bin or a plastic bag holder.
