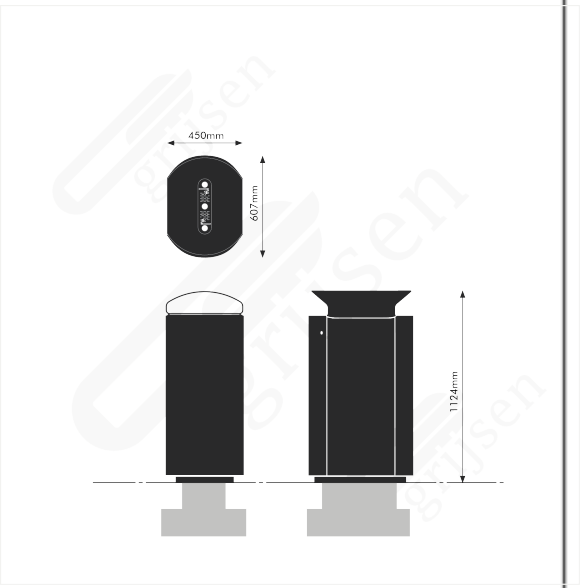
Constructo 202 with ashtray

Article number: 10001123

Series: Constructo II



Product description

The **Constructo 202 with ashtray** stands as the largest waste bin within the Constructo II series, making it exceptionally suited for bustling locations where a substantial volume of waste is generated. Alongside its ample capacity, this bin is distinguished by its high quality and user-friendly design. The Constructo 202 features concealed fasteners and a litter bin insertion that slants inward, effectively preventing waste from accumulating around the opening.

Fully modular, the Constructo 202 boasts an elegant circular base. This litter bin has **an integrated ashtray in the hood.** Furthermore, this waste bin comes equipped with a plastic bag holder for added convenience.
