Wenters single seat with backrest and armrests (steel)

Article number: 20000018

Series: Wenters

Product description

It is even more pleasant to sit on the Wenters bench with backrest. This steel bench has the same powerful and elegant appearance as the other benches in this series, but is further equipped with a backrest and armrests. Thanks to this backrest and armrests, combined with the undulating seat, one can sit and enjoy the public space in a relaxed manner.
